Section III Total	Section IV Total	Total Rebates (III + IV)
\$	\$	\$

Contractor must include the following documentation in their submission to the program: Signed contract between the customer and participating contractor with detailed scope of work. Contract must include all eligible improvement details including R-values, air infiltration, duct leakage, equipment efficiency, manufacturer, model numbers, serial numbers, AHRI reference number, and any other relevant information. In addition, your participating contractor must submit an electronic record from an approved energy analysis software program.

2010 BALTIMORE GAS AND ELECTRIC COMPANY (BGE)

Home Performance with ENERGY STAR® Program

Rebate Application and Customer Agreement

Terms and Conditions

APPLICATION: This application and any required additional documentation, including the customer-contractor contract agreement, must be filled out completely, truthfully and accurately. Participants are advised to retain a copy of this application and any accompanying documentation submitted to BGE Smart Energy Savers ProgramSM under the Home Performance with ENERGY STAR Program. BGE will not be responsible for lost documentation pertaining to this application request. Details of this program, including rebate levels, are subject to change or cancellation without prior notice. This application with required documentation must be received within 30 days of the installation's completion and within 6 months of the home energy audit. Funds for rebates are limited and available on a first-come, first-served basis. Rebate amounts are valid through December 31, 2010. Please call 1-877-685-7377 (SESP) or visit BGESmartEnergy.com for the most up-to-date program details.

ELIGIBILITY: This offer is valid for BGE residential customers applying through BGE's Home Performance with ENERGY STAR Program only. Offer open to all BGE residential electric and/or gas customers regardless of electric and/or gas supplier. Participants applying for Home Performance with ENERGY STAR rebates must have Central A/C Unit, Air Source Heat Pump, or other primary electric heating system and receive electricity service from BGE or a Gas Furnace or Gas Boiler and receive gas service from BGE. This offer is not valid for new construction homes or commercial properties. For those and other programs, please visit BGESmartEnergy.com. Projects must be installed in the BGE service territory. Eligible rebates are listed at BGESmartEnergy.com.

APPROVAL, VERIFICATION AND INSPECTION: Prior to any payment of rebates, BGE reserves the right to verify sales transactions. Participant's contractor will verify that the installed energy-saving measures meet all applicable building codes; zoning laws; local, state, and federal requirements; and other relevant requirements. Contractor is responsible for any applicable permits as required by aforementioned code/law. Outdoor temperatures may affect this verification process. Participant's home may also be selected for a quality control post-installation inspection by BGE. No warranty is implied by this inspection.

PROOF OF PURCHASE: Homeowner-contractor contract agreement for energy improvements must accompany each Home Performance with ENERGY STAR Customer Agreement. The contract copy must include a detailed scope of work indicating insulation levels, infiltration reduction, duct sealing, HVAC improvements (type, make, model, and serial numbers), lighting, water heating measures (type, make, model, and serial numbers), home location, and the date of contract.

HEALTH AND SAFETY: During the audit process, any health and safety issues that are identified, including but not limited to carbon monoxide, asbestos, mold, and lead, will need to be rectified prior to any work being completed in the home. The auditing contractor will need to have verification that the proper remediation has been completed prior to their ability to start

the recommended work in your home. No rebates will be paid until proof that any health and safety issues have been resolved.

PAYMENT: Please allow up to 6-8 weeks for rebate payment. Payment processing may take longer if information is missing on the Application. Please visit BGESmartEnergy.com or call 1-877-685-7377 if you have any questions about your rebate or accompanying documentation.

TAX LIABILITY: BGE will not be responsible for any tax liability that may be imposed on the customer as a result of the payment of rebates. Please contact your tax advisor for more information.

FACSIMILE/SCANNED: Facsimile transmission of any signed original document, and the retransmission of any signed facsimile transmission, shall be the same as delivery of the original signed document. Scanned original documents transmitted to BGE as an attachment via electronic mail shall be the same as delivery of the original signed document. At the request of BGE, Participant shall confirm documents with a facsimile transmitted signature or a scanned signature by providing the original document.

ENDORSEMENT: BGE does not endorse any particular manufacturer, product, system design, claim, or contractor in promoting this program.

INFORMATION RELEASE: Participant agrees that BGE may include Participant's name, BGE services and resulting energy savings in reports or other documentation submitted to BGE, and/or the Maryland State Public Service Commission. BGE will treat all other information gathered in evaluations as confidential and report it only in the aggregate.

LIMITATION OF LIABILITY: BGE's liability is limited to paying the rebate specified. BGE IS NOT LIABLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES, OR FOR ANY DAMAGES IN TORT CONNECTED WITH OR RESULTING FROM PARTICIPATION IN THIS PROGRAM. BGE reserves the right to not pay this rebate if the form is not filled out completely and accurately.

WARRANTIES: BGE DOES NOT WARRANT THE PERFORMANCE OF MEASURES OR OF INSTALLED EQUIPMENT EXPRESSLY OR IMPLICITLY. BGE makes no warranties or representations of any kind, whether statutory, expressed, or implied, including without limitations, warranties of merchantability or fitness for a particular purpose regarding any energy efficiency measure provided by a manufacturer or vendor. Contact your contractor for details regarding equipment/measure performance and warranties.

PROPERTY RIGHTS: Participant represents that Participant has the right to complete and/or install the energy-saving measures on the property on which those measures are completed and/or installed and that any necessary landlord's consent has been obtained.

OWNER'S CERTIFICATION: Owner certifies that he/she has purchased and installed the eligible improvement measures and equipment listed in the contract agreement at the defined location. Owner agrees that all information is true and that he/she has conformed to all program and energy-efficient improvements and equipment requirements listed.

Signatures

BGE Home Performance with ENERGY STAR rebates from BGE cannot be processed unless all of the appropriate fields of this customer agreement are complete. Please be sure you have read the Terms and Conditions of this agreement. Contractor: Attach a copy of a signed contract between the contractor and customer including a detailed scope of work indicating eligible improvements including insulation levels, infiltration reduction, duct sealing, and HVAC improvements (type, make, model, and serial numbers), and the date of installation.

I HAVE READ AND UNDERSTAND THE TERMS AND CONDITIONS ABOVE. I CERTIFY THAT THE INFORMATION I HAVE PROVIDED IS TRUE AND CORRECT AND THE IMPROVEMENTS, PRODUCT(S) AND/OR EQUIPMENT FOR WHICH I AM REQUESTING A REBATE MEETS THE REQUIREMENTS IN THIS AGREEMENT.

Once the agreement is completed, provide the signed copy to your contractor to submit with your rebate application.

☐ By signing this form I agree to all of the Terms and Conditions of this Agreement.

☐ By submitting this form I agree to all of the Terms and Conditions of this Agreement.
